

GROWTH MINDSET PHRASES CHEAT SHEET

*What to say instead — simple swaps that build
resilience and confidence.*

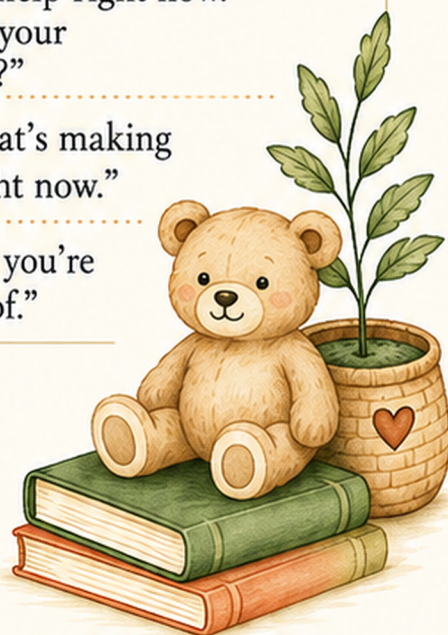

INSTEAD OF SAYING...

TRY SAYING...

- | | | | |
|---|-------------------------------------|---|--|
| 1  | "You're so smart." |  | "I love how hard you worked on that." |
| 2  | "Stop crying, it's not a big deal." |  | "I can see that felt really hard. What do you need right now?" |
| 3  | "You always do this." |  | "This time was tricky. What could we try differently?" |
| 4  | "Be careful, you might fall." |  | "Trust your body. You can try and I'm right here." |
| 5  | "You're fine." |  | "Your feelings make sense. Let's take a breath together." |
| 6  | "Hurry up, we're late." |  | "I need your help right now. Can you put your shoes on fast?" |
| 7  | "Why can't you just listen?" |  | "I wonder what's making this hard right now." |
| 8  | "Good job." |  | "Tell me what you're most proud of." |

Parent note: You will not get this right every time. Neither will they. That is the whole point.

The words we use become the voice in their head.
